

Aitor TRILLO DÍAZ

PROFILE SUMMARY

Passionate about the underwater world and on the path to building a professional career in diving. Certified as an Open Water Diver with PSS, currently expanding my knowledge with the goal of reaching the DiveMaster level. The sea is my place of discovery, and each dive is an opportunity to learn and grow. I am defined by perseverance, curiosity, and the ability to connect with people—qualities I apply to my training and aim to contribute in a professional environment.
